Search and Record

Looking for shows about cooking or want to make sure you don't miss any movies starring Meryl Streep? It's easy with i-Guide's expanded Search options by Title, Keyword or Actor/Director.

Search results include a list of programs airing on TV up to the next two weeks that meets your search criteria. For example, Search for the Keyword 'dogs' and your results will show programs with the word 'dogs' in the title or program description.

Choose Search by Actor/Director and use the keyboard to enter your favorite celebrity. Highlight your choice from the list and press OK/Select to see a list of shows.

Series Recording

It's simple to use your DVR to record every episode of your favorite series.

From the Program Info screen, press the Record icon and follow the on-screen prompts Set series recording options, including type of episodes to record, how long to keep the recording, and more

Select Series Recordings from the DVR Menu to modify your series recordings

View My Recordings

Once you've created your video library, access a list of programs in My Recordings from the DVR Menu.

Select DVR from the Quick Menu to access My Recordings

Use the left/right arrows on your remote to sort by date, channel or title. Highlight the program you want to watch and press OK/Select for Program Info. Then, press OK/Select to begin playback

Series Recordings are grouped into DVR Folders. Highlight the folder you want to open and press OK/Select to view a list of individual episodes

DVR Recordings

DVR Folders make it easy to scroll through your recordings. Multiple recordings of the same title will be grouped into DVR Folders, which are automatically created when you record multiple episodes of TV series or have set an Auto-Recording. Just highlight the folder and press OK/Select to open and scroll through the episode you want to watch. Press OK/Select to begin playback.
