A meeting of the Western Utilities Underground Alert (DIGS) Board of Directors was held on March 13, 2025, in Pine Grove, California. The meeting began at 10:34 a.m. Board Members present included Alvin Broglio, President, Grant Reynolds, Secretary/Treasurer, Jesse Hampton, Vice President, and board member Kevin Alleyn. Alvin Broglio called the meeting to order.

- An Agenda was presented and accepted to cover the business of this meeting.

 - The Treasurer's Report for January 30, 2025, was read by Grant Reynolds and accepted. Alvin Broglio proposed; Kevin Alleyn seconded; Ayes-all, Noes-none.
 - Correspondence: No correspondence has been received since the last Western Utilities board meeting.
 - Website. Alvin is asking someone to see if they can work on this. Alvin will still be working of trying to get Facebook/Social Media done.
 - Training: Hopefully we will have more training in the future. Jesse will look into getting a line locating class.
- Ground penetrating radar can help locate the water lines better than the water district. This could be a good class for locating also.
- USA Update: More representation wanted in Nevada. This one was held in Las Vegas. They want to do this once a year. They spent 95% of the budget. Nevada's ticket volume is up. California tickets numbers are down. 72 on-site presentations were given. They are going to try and stop raising the budget by double digits going forward. Start putting away money and for large tickets items over the next five years. They believe there may be supply issues with all the new tariffs. The next meeting will be the USA (811) 50th anniversary. They will have the board meeting and on the 24th ^{there} will be the golf tournament.
 - The next USA board meetings will be held on Wednesday, April 23, 2025, July 23, 2025, and October 22, 2025.

- There being no further business, the meeting was adjourned at 10:59 a.m. The next WUUA board meeting will be held on **May 8, 2025**, at 11:00 a.m. at Highway House in Jackson, CA.
