

A New Era of VolcanoView

TV without limits!

Introducing Volcano's new streaming TV service – VolcanoView!

Same great lineup and price as your current TV service.
Plus, you'll enjoy:

- **Freedom**—set-top box optional
- **Flexibility**—watch on any device connected to the Volcano network
- **Convenience**—see all your apps and TV options in one place
- **Ease**—go back up to 72 hours to catch-up on your favorite shows with the "Catch-up TV" feature*
- **Simplicity**—classic channel lineup available – no need to learn a new style of guide
- **Control**—voice enabled guide helps with vision challenges
- **Choice**—get 50 hours of Cloud DVR storage **FREE** – purchase up to 50 additional hours

There are also premium options available – HBO®, Cinemax®, Showtime® and Starz®.
It's as easy as 1, 2, 3 to get VolcanoView's newest release:

- 1 **Get** Volcano internet
- 2 **Select** TV package
- 3 **Choose** set-top box or streaming device**

*Not all channels available. See channel lineup on website for details. **If you choose a streaming device, you will need to download the VolcanoView app. Roku® is currently not a supported streaming device.

FREE Cloud DVR Service Included

With All VolcanoView® Packages

Who is eligible for this service?

All new or current residential VolcanoView customers.

What action do I need to take to get this service?

None! The Cloud DVR service will automatically be added to your account and is accessible via your remote.

What does the FREE Cloud DVR service include?

The FREE Cloud DVR service includes 50 hours of storage (per account) with a 180-day recording duration.

What are the features of this service? You'll have the ability to:

- Record programs within your TV package (local, national and premium)
- Set recordings in advance via the program guide
- Fast forward (through programs and commercials), rewind or pause on the fly
- Watch recordings repeatedly (up to a 180-day duration)
- Delete recordings to make space for more content
- Access recordings from any device connected to the Volcano network

NEED MORE STORAGE?

Optional Cloud Service | \$4.99 month

Get 50 additional hours — giving you 100 hours of storage with a 180-day recording duration per program recorded.
